In one way or another the Star
man has mentioned nearly every
player on the four elevens; those
not mentioned was probably an
oversight on the part of its bu-
reau of information. The out-
standing "joke" in the Star's ci-
tations is the naming of Vialut
Kemper, over Reid, Wentworth,
for the center position on the
first team. In the Thanksgiving
game between Kemper and
Wentworth, Reid made Vialut
resemble a German mark.

H. E. Nettles To New School.

H. E. Nettles, acting chair-
man of the history department
of Northeast high school, Kan-
sas City, has accepted a posi-
tion as associate professor of
history at the state teachers'
college at Springfield. Mr. Net-
tles, who has been at Northeast
high school for three years, has
had this offer under considera-
tion for several months. He will
make his new position in June.
Mr. Nettles has many friends
and acquaintances in Lexington
who will be glad to hear of his
advancement in his chosen pro-
fession.

Masons Have Splendid Meeting.

The Twenty-third Missouri
Masonic District Association
made up of all the Masonic lodg-
es in the county, held its quar-
terly meeting Friday night in
the hall of Lexington Lodge No.
149, A. F. & A. M. The program
was completed in detail, the
principal features of which
were: Instruction on conferring
degrees by C. B. Waddell, D. D.
G. M., and others; conferring
degrees by Xexophon Ryland
Chapter, Order of DeMolay for
Boys, and the election of officers.
The officers chosen for the en-
suing year are:

W. A. Fletcher, Waverly
Lodge No. 61, President.
R. W. Powell, Mt. Hope Lodge
No. 476, Odessa, Vice-President.
G. H. Bates, Lexington Lodge
No. 149, Sec'y.-Treas.

The meeting took a recess at
6 o'clock and the members went
over to the Methodist church
where the ladies of the Eastern
Star served the feast. Yes, that
is the proper word—Feast! In
quantity and quality, it has nev-
er been surpassed at a similar
occasion. If some of the men (we
won't mention any names) didn't
cluck or crow all night, it was
not because they didn't have
their fill of chicken.

Death of John Rosewall.

John Rosewall died Tuesday
night at 10 o'clock, at his home
on Railroad street, death being
due to heart trouble.

Mr. Rosewall was a native of
England, and was born Decem-
ber 4, 1857. He was married in
this city to Miss Anna Lambert,
who with two sons, Thomas and
Henry, and one daughter, Mrs.
August Fauss, survives. He is
also survived by two brothers
and one sister.

Th funeral services conducted
by Dr. W. T. McClure, were held
from the home yesterday af-
ternoon at 2:30 o'clock.

Newman-Fanolio.

Mr. John A. Newman of Ot-
tumwa, Iowa, and Miss Ruth
Fanolio, daughter of Mrs. Kath-
erine Fanolio of this city, were
married Saturday afternoon,
December 9, at 5 o'clock, in Fort
Madison, Iowa. They will make
their home in Ottumwa, where
Mr. Newman is connected with
the Phoenix Trust Company.

Goodwin-Holman.

Mr. W. A. Goodwin, Jr., and
Miss Beulah Holman, both of
Lexington, were married Tues-
day afternoon at 2:30 o'clock, at
the home of William Goodman
Sr., Southside Addition. Rev.
Robt. L. Cowan was the officiat-
ing minister.

BRIDGE PROPOSITION WILL BE PUT OVER

No Such Thing As Failure Now.
Committee Will Find a Way.

After twenty-four hours of
surmising, the citizens of Lex-
ington can be assured that the
bridge project is not hopeless by
any manner of means. The bridge
will be built. Don't think or be-
lieve anything else. Without
mincing matters and going into
endless details and surmising
this or that, the bridge project
is now where a definite state-
ment as to its cost can be made.
That's something. The engineers
have concluded definitely that
\$1,266,000.00 will complete the
project, including the Lexington
approach. The Broadway, low
level site has been agreed upon.
The figures are in excess of Dr.
Waddell's estimate, because of
the fact that the federal engi-
neers increased the strength of
the piers.

Of this \$1,266,000.00 there is
available \$538,200.00 of federal
aid, and \$630,000.00 in bonds,
making a total of \$1,168,000.00.
This leaves \$97,800.00 to be pro-
vided. The committee is work-
ing out ways and means to make
up the difference.

The situation is in much bet-
ter shape than it looked a few
hours ago, and the citizens of
Lexington may be assured that
the project will not fail at this
late date. Don't think anything
else!

CHRISTMAS, THE GLADDEST DAY

It is with a feeling of self-con-
gratulation, that many people
this year in Lexington are fac-
ing "Christmas the gladdest
day" of the year for each and
every one in the family, and al-
so deserving and loved friends
will receive a remembrance of
esteem and affection.

These thoughtful and far-sight-
ed people planned for this "glad-
dest day." They remembered
that in the past they were
"short" of Christmas money
but this year each week they
have been accumulating money
in a Christmas Club and thus
building a Budget with which
they are able to buy the desired
gifts.

To these hundreds of thought-
ful citizens, men, women, boys
and girls we extend our hearty
congratulations. Many have
learned for the first time how
easy it is to accumulate a sat-
isfactory sum of money by the
steady saving of small sums regu-
larly. This lesson alone will
well repay these Christmas sav-
ers and it is to be hoped that
they and many others will fos-
ter this saving habit, so neces-
sary for success.

"Save Part" is a slogan now
going the rounds. It is a good
idea. If people will follow it the
days of want, poverty and mis-
ery are gone forever.

Several young couples gave
Miss Elizabeth Graves a sur-
prise last night by calling at her
studio. The evening was spent
in singing and instrumental mu-
sic. Delicious refreshments were
served.

Hubert Bates Monday re-
ceived thru the mail a box con-
taining two persimmons as
large as baseballs or larger. The
fruit was grown and sent by
Frank Hoefler, of Santa Barba-
ra, Calif.

Wentworth Military academy
closes Saturday noon for the hol-
idays. Work will be resumed on
January 3, 1923.

L. H. S. FOOTBALL TEAM HAS BANQUET

Burnley Ellis Chosen Captain.
Letters Awarded.

The members of the Lexing-
ton high school football team
held their annual banquet Thurs-
day night at The Victory. Af-
ter the inner man had been sat-
isfied, the players elected Burn-
ley Ellis captain of the 1923
team. The \$10.00 prize offered
to the player giving his best to
the success of the team as well
as keeping up his scholastic
work, was awarded to Carl
Maib. Letters were awarded to
Wm. Wehrman, Dugan Smith,
and Harold Maib, and service
stripes to the other players who
had been given letters hereto-
fore.

Those present at the banquet
were L. H. Bell, Supt.; R. G.
Bigelow, Principal; Coach
Dirckx, Prof. Keys, W. J. Band-
on, vice-president of the school
board, and the following mem-
bers of the team: Gus Hearle,
Theo. Haerie, Geo. Holleron, For-
est Temple, Wm. Wehrman, Ar-
nold Wiley, Burnley Ellis, Hor-
ace Salyers, Dugan Smith, Wal-
ter Waddell, Carl Maib, and Har-
old Maib.

The banquet was served in
elegant style, "a la Harvey," and
those present enjoyed it thoroly.
The prospects for a strong team
next year are very good. It is
believed that eight letter men
will be on hand to try for posi-
tions. With this nucleus of ex-
perienced men the outlook looks
very favorable.

GOLDEN RULE SALE DAY.

Will Be Held Second Monday In
January—the 8th.

Due to the fact that the regu-
lar date for the next Golden
Rule Sale day falls on January
1, 1923, it has been decided to
hold the sale on the following
Monday, January 8th.

Noon Day Luncheon

The noon day luncheon set for
December 26th, has been post-
poned until January 23, 1923.
It is believed that the merchants
will be too busy on the 26th to
attend this function, hence the
change.

The chairmen for this lunch-
eon are as follows:

Chairman of Luncheon—El-
mer H. White.

Chairman Speakers—F. Lee
Wallace.

Commerce rooms at 7:30 o'clock
Monday night, January 15.

important meeting.

rum will be announced at a later
date.

The Successful Finish

Some people are apt to forget
that there can be no successful
finish without an intelligent be-
ginning. Certainly if you never
begin you can never finish. The
beginning of almost every finan-
cial success is right in a man's
savings account.
